NATURAL BOTANICAL INGREDIENTS

WHY THIS RUB WORKS

This powerful blend of aromatic essential oils works together to provide a comforting vapour experience when applied to the chest, throat and temples, helping your breathe easier while also offering warming and cooling relief for sore, tired muscles and joints.

KEY BOTANICAL INGREDIENTS

COCONUT OIL (<i>Cocos nucifera</i>) Nourishing carrier base, helping to disperse oils evenly and condition skin.
NATURAL BEESWAX Protective balm base creating a rich balm texture.
VITAMIN E OIL Skin-conditioning antioxidant, supporting stability of the formula.
CAJUPUT OIL (<i>Melaleuca cajuputi</i>) Fresh, penetrating aromatic support contributing to vapour experience.
PEPPERMINT OIL (<i>Mentha piperita</i>) Cooling, refreshing respiratory comfort supporting chest and mucle.
CLOVE BUD OIL (<i>Syzygium aromaticum</i>) Warming aromatic and soothing support, a traditional topical comfort.
EUCALYPTUS OIL (<i>Eucalyptus smithii</i>) Fresh penetrating respiratory and muscle comfort support.
WINTERGREEN (<i>Gaultheria procumbens</i>) Anti-inflammatory botanical supporting muscle & joint comfort.
MENTHOL CRYSTALS Providing instant cooling effect and eases the feeling of congestion.
CAMPHOR Warming support for repiratory comfort & muscle relaxation.

IMPORTANT

For external use only. Do not apply to broken, damaged or irritated skin, open wounds, eyes or mucous membranes. Discontinue use if irritation or hypersensitivity occurs. Keep out of reach of children.
